

# NEWNAN FIRST UNITED METHODIST CHURCH - SURVEY

*FROM: Newnan First United Methodist Education & Communication Group*

**PURPOSE:** To learn a little bit more about our church in the midst of transition. NFUMC is entering into a time of leadership transition and it is helpful to learn a little about the congregation's feelings, excitements, and concerns.

While we encourage you to write more than less, know that there is no such thing as a right or wrong answer in this format, and no answer is too long or too short. We encourage you to sit with these questions and really share your heart and mind in these answers.

Again, the purpose of this exercise is information gathering. Know that we ask for your name only to know who has filled it out. We will not connect names and answers, so be as honest as you would like to be.
