

FEBRUARY 2023

THE  NEWNAN FIRST
UNITED METHODIST CHURCH
SHEPHERD

Last week, a Newnan FUMC church member left a note in my box. All it said was a quote from Max Lucado:

We all need the reminder: the heart of the human problem is the heart of the human.

When I called him later to ask why he thought to put that on a notecard and leave it for me, he mentioned that he had just felt moved by the Spirit in his devotional time. He shared that there is so much to think about and focus on in this world. Perhaps if we focus on the heart, we might get somewhere. Perhaps that is the call of the Christian. Perhaps that is the focus we should have. The heart.

In his sermon on January 22, Pastor Connor reminded us of what John Wesley said of the heart:

Every wise man, therefore, will allow others the same liberty of thinking which he desires they should allow him; and will no more insist on their embracing his opinions, than he would have them to insist on his embracing theirs. He bears with those who differ from him, and only asks him with whom he desires to unite in love that single question, "Is thy heart right, as my heart is with thy heart?" (The Catholic Spirit).

One of my professors in college used to say, "Everyone is doing the best they have with what they have to work with." I would dismiss his statement and immediately think of 10 people that weren't doing their best (sounds like I was more worried about a speck in your eye than the plank in my own). But his statement has stuck with me over the years, and the more I think about it, the more I understand what he was trying to say. His statement seems to me another way of giving others the benefit of the doubt. His statement seems in line with Wesley's concern for the heart.

The mission of the church is big. It is overwhelming. It is hard to wrap our brains around. And sometimes it seems foolish. But perhaps if we were to focus a little more on the heart of the individual, the call of the church in the world might feel more manageable.

May God guide you and hold you.

Disaster Assistance for Griffin

Thank you to our generous congregation for your donations to assist our neighbors in Griffin. We were able to take gift cards and non-perishable items that will help those who have been displaced from their homes due to tornado damage.

ERT Workday in Griffin

On Saturday, January 21st, our ERT members were deployed to assist our neighbors in Griffin. Our team members were Hans Heiser, Allen Bell, Carter West, Dianne Glenn, Scott Harlan, Donald Sprayberry, Theo, and Aileen Burnett. We also partnered with Carrollton UMC to assist in the efforts. Our work in the community consisted of debris clean-up and chainsaw work. We were able to assist 6 homeowners with various needs in a hard-hit neighborhood. We are grateful for the support that we receive from our pastors and congregation to allow us to go out to be the hands and feet of Christ.

We would love for you to join us on our next trip. You do not need to have a particular skill, just a desire to make a difference in people's lives. Please contact either Theo Burnett (theoburnett61@gmail.com) or Greg Oothoudt (goothoudt@yahoo.com) if you have any questions.

MISSION SUNDAY

Thank you for your generous hearts and donations each month on Mission Sunday. We were able to fill three carts full of food for ONE ROOF MINISTRY to assist with their food pantry.

SERVICE DAY

SATURDAY, MARCH 25

On Saturday, March 25th, we will serve our church family through a day of service. On that day, we will have the opportunity to fulfill our call to carry one another's burdens in direct, concrete ways. In the coming weeks, we will collect requests for needs from our church family, and also sign up to volunteer and address as many of those needs as we can that day. After our morning of service together, everyone is invited to join together for a wonderful time of celebration, fellowship, and a complimentary (and delicious!) lunch in the Parish hall. Want to volunteer or just join us for lunch on March 25th? Use this QR code to sign up or go online at newnanfumc.org/signups.

FRIENDSHIP COMMITTEE VALENTINE COOKIE & CANDY SWAP

THURSDAY, FEBRUARY 9 | 10 AM | ANNEX HALL

We will meet on Thursday, February 9, at 10:00 in the Annex Hall. At this meeting, we will have a cookie & candy swap. If everyone would bring enough of one item like cookies or individual candies - enough for 38 boxes, we could pack some boxes for our shut-ins. We will also have valentines for us to sign and add to the boxes. We will divvy up the boxes for delivery to our shut-ins. If you are unable to take a box to your shut-in(s), perhaps someone else can do that. We are envisioning a box with a good number of different cookies and candies. **Would you like to join the Friendship Committee? Please contact Karen Oothoudt at gotkaren57@yahoo.com**

We have kicked off this year at UTH, and we hit the ground running! We opened the year with a *Minute to Win It* game night on January 8th that was a blast to both play and watch. If you haven't learned yet, these kids love some good, healthy competition. That Following Wednesday, we started *Biscuits and Bibles* back up, diving back into Romans alongside some Chick-fil-A biscuits. The next weekend, January 13-16, was our ski trip where we took 46 students to *Beech Mountain* to ski, but more importantly, they grew closer to the Lord and each other! Then we kicked out our newest series, *Like Me*, with an awesome turnout of students both in numbers and excitement for the year. We are slowing down anytime soon so come on and have a blast with us at UTH! -Paul

Current UTH Series: LIKE ME

Our students all have a tendency to compare themselves to others. The grades they're getting, the people they're dating, the friends they have, the clothes they wear,—it all feels like one long list of what others have that our students just don't! In this series, we'll help them discover that comparison not only keeps them from liking others, it holds them back from being able to like themselves! And the further they move away from comparison and toward contentment, the more they'll be able to love who they are just as they are!

HIGH SCHOOL SENIORS:

We have a lot of stuff for you all kicking off this month, so please reach out to Paul and let him know you are interested in participating!

February is a wonderful month to be in the Children's Ministry! We have walked through the early life of Jesus and now get to dive deeper into being good Disciples. Sunday School and ROOT 345 is going to be filled with fun games and activities. We are so excited to learn more and share the love of God. This month's verse is *"Do to others as you want them to do to you."* Luke 6:31. We will talk and learn about *Respect* - showing others that they are important by what we say and do. We will start our month learning about the calling of the Disciples. We will spend time talking about how we can show love and feel loved. You won't want to miss our lessons on Mary and Martha and the Roman Commander! There are going to be fun games and cool crafts! It is the perfect time to grow closer to God! -Andrea

Our 4 year old to 2nd graders are going to praise God in so many awesome ways this next month. We will be watching fun videos, wiggling, singing, and giving thanks! The month of February is going to be filled with love for everyone and learning how to share that love to all those around us.

NEWNAN FUMC BUILDINGS & GROUNDS

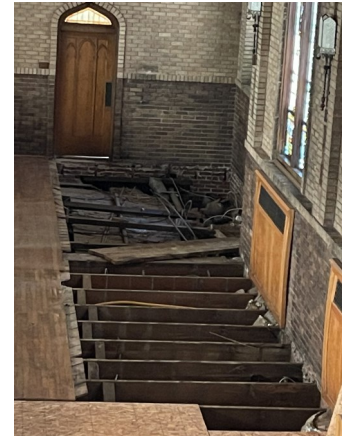

CONSTRUCTION CONTINUES IN THE SANCTUARY

The construction in our Sanctuary continues with the replacement and reinforcement of our sub-seals and joists. All of our pews and carpet are being removed. The piano and needlepoint pieces have been lovingly protected and the books have been packed away. While the pews are out, the plan is to bring in a lift to install new bulbs in our chandeliers and lighting fixtures. New hardwood floors will be installed in the areas of construction and all of the hardwood floors will be refinished. Once the floors are complete, the pews will be returned in their original order.

The plan is to be back in the sanctuary mid-February. Thank you for your continued patience and for celebrating worship each week in our Parish Hall. -Bob McKoon

Services are being held in our Parish Hall. A BIG thank you to Jeff Williams and Ayden Beard for keeping our technology going with audio and video during our time in this space. Thank you to our amazing staff; Steve, Rachel, Tiffany & Louanne for setting up this space for the many events we host each week.

A big THANK YOU for our volunteers who boxed up and moved all of our hymnals, pew Bibles and other items in preparation of the construction.
